For five years now, the APD Forensics Division has worked with the school and provided students with opportunities to be trained by Forensics specialists, learn about Crime Scene Investigations and Homicides.

"Garza 10-18" is a multi-credit course that is popular with students, has high academic expectations and intense study requirements. The program provides students credits in Government, Social Studies, the Court System, Criminal Procedures, Outdoor Adventure (PE), Business Computer Information Systems and Chemistry.
